A Saturday to remember

1st XV: Cinderford 22-16 Redruth

The 1st XV produced a committed, resilient performance to beat league leaders Redruth at Bell Sports & Rugby Park. Strong defence and a willingness to take their opportunities made the difference, with Brendan Llewelyn's run down the wing setting up Tom "Dave" Samak for the winning try.

Samak also received the Westons Cider Man of the Match award, presented by Club President Pete Bell. A standout contribution in a victory built on the effort of the whole squad.

United: a comeback worth celebrating

United fought back from 12-0 down at half-time to beat Old Redcliffians 26-24 at The Bridge. Jack Harris scored a hat-trick, while debutant Joby Fissenden crossed after a fine offload from Dewi Wilcox. Charlie Stallard added two conversions before Matt Tinker's decisive conversion put United ahead for the first time.

It was a fitting way to mark Dan "Chippy" Nicholls' 150th United appearance. Congratulations also to Wilcox, United's Westons Cider Man of the Match. Thank you to Westons Cider for supporting both awards.

Stags: success on the road

The Stags completed the treble with a 22-10 win away at Berry Hill. Congratulations to the whole team, and thank you to our hosts and everyone who travelled to support the lads.

PEOPLE & CLUB LIFE

Plenty to be proud of

First-class congratulations, Jade!

A huge congratulations to Jade Marfell, who has graduated from the University of Northampton with a First-Class BSc (Hons) in Sport Coaching.

Jade thanked her Cinderford U10s and fellow coaches for everything she has learnt alongside them, saying the children remind her every Sunday why she loves coaching. We are proud to celebrate her achievement and grateful for the time, care and enthusiasm she brings to our young players. Well done, Jade!

Youth rugby: progress, teamwork and respect

Our young players gave us plenty to smile about over the weekend. The U8s' visit to Drybrook showed the hard work of recent training sessions coming together, alongside sporting behaviour that made their coach particularly proud.

The U10s enjoyed a muddy derby with Drybrook, showing growing confidence in their rucking, mauling and scrums. Their teamwork extended beyond the play, with encouragement and care for one another throughout. Well done to Players of the Match Max and Charley!

At home, the U11s played a hard-fought derby against Drybrook in great spirit. They used the width of the pitch well, combining strong attacking runs with clever kicks in behind to create some lovely tries. Everyone played their part.

On Remembrance Sunday, young players from both clubs stood together to observe the silence. The respect shown by our U8s, U9s and U10s at Drybrook, and by the U11s and their visitors at home, was something to be proud of. Thank you to Drybrook, our coaches, families and supporters.

21 November: make it a matchday occasion

Hospitality bookings are being taken for the 1st XV's next home game against Hinckley on Saturday 21 November, kicking off at 3pm at Bell Sports & Rugby Park.

Enjoy good food and good company before cheering on the team. Whether you are catching up with friends or planning an afternoon with colleagues, reserve your place and make the most of matchday.
