Welcome to Bell Sports & Rugby Park

The Home of Cinderford RFC

On behalf of everyone at **Cinderford RFC**, it is our pleasure to welcome you to Bell Sports & Rugby Park.

We extend a particularly warm welcome to today's visiting players, coaches, officials and supporters. Whether you are joining us for the first time or returning to Dockham Road, we are delighted to have you with us.

Matchday is about far more than the rugby played on the pitch. It brings together players, supporters, families, volunteers, sponsors and friends of the game, all contributing to the atmosphere and sense of community that make rugby clubs such special places.

We are immensely proud of **Cinderford RFC**, our home and the people who represent and support the club at every level. We are equally proud to welcome teams from across the rugby community to share a matchday with us here in the Forest of Dean.

Our sincere thanks go to the match officials and to the many volunteers and individuals working behind the scenes to make today possible. We also acknowledge our sponsors and partners, whose valued support helps Cinderford RFC continue to develop both on and off the field.

To everyone joining us today, we hope you enjoy the rugby, the atmosphere and the hospitality at **Bell Sports & Rugby Park**.

And to our visitors, thank you for making the journey to Cinderford. We wish you an enjoyable visit and a safe journey home.

Enjoy the game, and welcome to the Bell.

Cinderford **53** Loughborough S **31**

Cinderford produced an impressive fightback at Bell Sports & Rugby Park to overcome a difficult opening and secure a 53–31 victory over Loughborough Students in an entertaining National League 2 West encounter.

The visitors made a flying start and opened the scoring from a lineout on the Cinderford 22. Their attack proved too much for the home defence, with Seb Rodriguez-Davis finishing well in the corner before Felix Champain added the conversion.

Loughborough quickly doubled their advantage. Sustained pressure close to the Cinderford line eventually saw hooker Henry Bonetti bundled over, with Champain again converting to give the Students an early 14–point advantage.

Cinderford needed a response and found one through Kyle Harris, who crossed for the home side's opening try. Sam Smith then added another after a powerful run down the right-hand side saw him finish in the corner.

However, Loughborough continued to pose a threat and Connor Van Lille was next to cross. Champain's conversion stretched the visitors' advantage to 21–10 after just 18 minutes.

With the game threatening to get away from them, Cinderford began to find their rhythm.

Prop Ollie Johnson provided an important score, with Joe Winfield adding

the conversion, before a clever kick through opened the door for Cormac Saint. The scrum-half raced onto the ball to score and Winfield converted again as Cinderford took the lead for the first time.

The momentum had firmly shifted and Winfield then made a telling contribution of his own, intercepting in midfield before racing clear to the line. He converted his own try as Cinderford completed a remarkable turnaround to lead **31–21 at half-time.**

Cinderford almost extended their advantage immediately after the restart. A kick through produced a race for the ball beyond the try line, but Loughborough recovered well and managed to hold it up.

Instead, it was the visitors who struck next. Louis Nancekivell was released down the right following an offload and finished in the corner to reduce the deficit.

Cinderford's response was immediate. Rio Ebanks crossed for the home side and Winfield's conversion moved Cinderford further ahead.

Loughborough refused to go away and, following another lineout, drove towards a congested Cinderford try line. The home defence was unable to keep them out and Monty Wells touched down, reducing the score to 38–31 and leaving the contest finely poised.

But from that point Cinderford took control.

A powerful home maul proved too much for the Students, with Jacob Perkins emerging as the try scorer before Winfield once again added the extras.

Smith then claimed his second try of the afternoon, breaking through the defensive line with pace before finishing confidently.

Winfield rounded off the scoring with a penalty as Cinderford completed a **53–31 victory**, having recovered superbly from their difficult opening to finish strongly.

Bournville **57** Cinderford **62**

Cinderford came out on top in an extraordinary afternoon of attacking rugby at Bournville, holding their nerve in a breathless 17-try contest to secure a 62-57 victory and five league points on the road in National League 2 West.

It was a game that barely stopped for breath, with the two sides trading scores throughout an afternoon when neither was prepared to let the other get away.

Bournville struck first to take an early 7-0 lead, but Cinderford's response was immediate. **Mattie Cotton** crossed for the visitors' opening try and **Joe Winfield** added the conversion before **Brendan Llewelyn** went over for Cinderford's second, Winfield again converting to make it 14-7.

The visitors continued to attack and **Andrew Smyth** claimed his first try of the afternoon after ten minutes. Although the conversion was missed, Cinderford had opened up a 19-7 advantage.

Bournville quickly reduced the deficit with a converted try, but Cinderford responded once more. **Jake Polledri** crossed and Winfield converted to restore a 12-point cushion at 26-14.

Smyth was soon back among the scorers, crossing for his second try after 22 minutes, with Winfield again adding the extras to move Cinderford 33-14 ahead.

There was no sign of Bournville going away, however. A try around the half-hour mark reduced the gap to 33-19 before Smyth completed an impressive **first-half hat-trick**, taking Cinderford to 38 points.

Bournville had the final word of an action-packed opening 40 minutes, scoring a converted try right on the stroke of half-time to leave Cinderford **38-26 ahead at the break.**

The pace showed no signs of slowing after the restart.

Winfield opened the second-half scoring with a penalty to extend Cinderford's lead to 41-26, but Bournville

immediately hit back with another try.

Cinderford responded through **Jacob Perkins**, with Winfield's conversion making it 48-31, only for the hosts to cross again as the match continued to swing from one end of the field to the other.

Llewelyn then grabbed his second try of the afternoon, Winfield converting to give Cinderford a 55-38 advantage.

That looked a useful cushion, but Bournville produced a determined late fightback. Successive tries brought the hosts to within five points at **55-50 with around five minutes remaining**, setting up a tense finish.

Cinderford needed another score — and it came through **Callum Thompson**. His late try, converted by Winfield, took the visitors to 62 points.

Even then, the scoring wasn't finished.

Bournville crossed once more before the final whistle, but Cinderford had done enough to come through an extraordinary contest **62-57.**

Andrew Smyth finished with a hat-trick, Brendan Llewelyn crossed twice, while Mattie Cotton, Jake Polledri, Jacob Perkins and Callum Thompson also touched down. Joe Winfield contributed seven conversions and a penalty from the tee.

Stourbridge 36 United 14

PRE-SEASON FRIENDLY

Cinderford United completed their pre-season preparations with a demanding trip to Stourbridge on Saturday, taking on Level 5 opposition in a fixture that provided a valuable test ahead of the start of their league campaign.

With Stourbridge operating just one level below Cinderford's 1st XV, United knew they would face a significant challenge. Despite the eventual 36-14 scoreline, the visitors were never outclassed and showed plenty of resilience throughout, although the strength of the home side's set piece proved influential.

Stourbridge were first on the scoreboard, using their forward power to good effect as a driving maul from a lineout produced the opening try. The conversion followed to give the hosts a 7-0 advantage.

United responded positively and enjoyed a period of pressure of their own, coming close to scoring on a couple of occasions. However, their failure to turn those opportunities into points was punished when Stourbridge's left wing crossed for an unconverted try to extend the home side's lead to 12-0.

Cinderford continued to compete and their persistence was rewarded just before the interval.

Good work from the United backs created the opening and **Will Day** took his opportunity with aplomb, crossing under the posts for Cinderford's first try of the afternoon. **Charlie Stallard** added the conversion to bring United back to within five points at the break.

Half-time: Stourbridge 12-7

Cinderford United

United made multiple changes from their 27-man squad for the second half, and the visitors soon found themselves under considerable pressure at scrum time.

Stourbridge took advantage of their dominance in the set piece and kept United pinned back for long periods. Three further tries, two of them converted, saw the home side establish a 31-7 advantage.

Despite the pressure and the growing deficit, United continued to show the resilience that has been a feature of their preparations and refused to let the contest get away from them without a response.

A sustained spell of close-range pressure and a succession of pick-and-go carries eventually brought its reward. **Dave Diddcote** forced his way over the line for United's second try before **Matt Tinker** added the conversion to reduce the deficit to 31-14.

Stourbridge had the final word, again making their forward strength count as another driving maul resulted in the final try of the afternoon and completed the scoring at 36-14.

Full-time: Stourbridge 36-14
Cinderford United

While the result went the way of the hosts, there were more positives than negatives for United from a deliberately challenging final pre-season fixture. The afternoon provided the squad with a strong examination against higher-level opposition and valuable lessons to take into competitive action.

Clifton II 33 United 24

PRE-SEASON FRIENDLY

Cinderford United produced a spirited second-half fightback in their first league outing following promotion, battling back to within two points of Clifton before a final-play score gave the hosts a 33–24 victory.

United were back at Level 7 and faced a strong Clifton side in an opening league contest which provided plenty of encouragement, but also left the visitors reflecting on opportunities that had gone begging.

United made the perfect start when **Will Day** crossed for the opening try to put United 5–0 ahead.

Clifton responded with a converted try to edge in front 7–5 and began to take control of the scoreboard, adding two further tries – one converted – to establish a 19–5 advantage.

United needed a response and found one through **Tom Reynolds**, whose try reduced the deficit to 19–10.

Clifton struck again before the interval, however, adding a converted try to send the hosts into half-time with a **26–10 lead**.

United emerged for the second half with renewed purpose and produced their best spell of the afternoon.

Max Rendall crossed for Cinderford's third try, with **Matt Tinker** adding the conversion to bring United back to 26–17.

The momentum was now with the visitors and another try followed, this time through **JJ Horrobin**. Tinker was again successful from the tee and suddenly a 16-point half-time deficit had been reduced to just two.

At **26–24**, with around 20 minutes remaining, United were firmly back in the contest and pushing for a victory that had looked unlikely at the interval.

But despite creating opportunities, Cinderford couldn't find the score that would take them in front.

The contest remained in the balance until the closing stages when Clifton crossed with the final play of the game. The conversion took the final score to **33–24**, giving the hosts the victory and leaving United to reflect on how close they had come after an impressive fightback.

PET & ANIMAL SUPPLIES

Gluten intolerance in pets is becoming increasingly common and switching to a grain free diet can prevent problems such as itchy skin, hyper-activity or even diarrhoea. Our new grain-free foods have all of the goodness and more of the top brands, but at a fraction of the cost! We can even deliver direct to your door. Call us now to speak to a member of staff who is trained in pet nutrition and can help with your pets dietary requirements. With 22 years experience we can offer unrivalled service to suit your pets requirements.
